## MORROW SWEEPS STATE

Governor-Elect Polls Tremendous Majority Over Governor Black

## DEMOCRATS MUCH SURPRISED

Had Been Over-Confident of Electing Their Entire Ticket--Republicans Gain Control of House

WILBORN DEFEATS KOON BY A MAJORITY OF 392

Edwin P. Morrow is to be the next Governor of Kentucky.

That he made a campaign that appealed to the masses of voters is shown by the surprising vote.

The Republican candidate invaded Democratic strongholds and literally swept his opponent off his field, carrying districts that even rock-ribbed Republicans had hardly expected him to hold his own.

While complete figures are not available at the time this is written, Morrow has carried the Third, Fourth, Fifth, Sixth, Tenth and Eleventh Congressional Districts, with the Ninth in doubt. It is known that he carried 56 counties with ten more to be heard from, five of these in the Eleventh District where it is hardly to be expected that the Democratic candidate will do well. He carried only two counties in the First District, Crittenden being one of them.

Frank N. Burns of Paducah, Democratic candidate for Railroad Commissioner is probably elected.

Locally our own Bob Wilborn almost ran by himself. The table appended will give you the exact figures.

The day was a perfect one, although country roads in these parts were in their usual bad condition following a rainy week and the vote over the state was heavy, both parties made Herculean efforts to get out the vote, and party workers were all busy.

Here in Marion one occasionally caught a glimpse of Gene Guess, W. E. Belt, W. B. Yandell, Bob Wilborn, L. E. Guess and others coralling their voters and J. I. Clements, Jesse Olive, W. U. Howerton, et al., were just as busy on their side of the fence.

There was no violence or misbehavior of any kind reported anywhere in the county, everything going along quietly and efficiently.

As to the two amendments early returns indicate that the "dry" amendment lost, the wet vote in the cities wiping out the dry vote in the rural districts. The other amendment probably carried.

The Crittenden Vote:

PRECINCT	Black	Morrow	Koon	Wilborn
Marion	1	99	137	87
" 2	82	177	76	168
" 3	109	137	107	132
" 4	36	202	34	191
" 5	62	159	60	142
Frances	107	160	115	137
Dyeusburg	97	78	112	61
Union	66	106	63	98
Sheridan	74	159	66	146
Tolu	68	90	67	92

Bells Mines	31	21	29	22
Rosebud	110	52	107	48
Piney	33	86	34	80
Shady Grove	106	73	102	72
Totals	1142	1702	1122	1583

Morrow's majority 560

Wilborn's 461

The prohibition amendment provision carried in this county by a majority of 408, there being 1601 votes "yes;" 1093 "no."

#### Rev. L. J. Milliken

Stays at St. Paul's.

With the reading of appointments the Los Angeles-Arizona districts, the conference of the Methodist church, South, last night closed a very successful meeting in this city. The feature of the announced appointments locally is the fact that Rev. L. J. Milliken, pastor of St. Paul's church, is to remain in San Bernardino. People generally in this city will be doubly pleased at this news as Rev. Milliken and family have endeared themselves to the people here, and particularly to the church which he has so faithfully served, and whose guidance has made wonderful growth spiritually and otherwise.

The people of St. Paul's Methodist Church, South, never appreciated the splendid judgment of the bishop more than they did last evening when he read the appointments, and they heard that they were to have their beloved pastor and his wife, Rev. and Mrs. L. J. Milliken for still another year. They have enjoyed every session of the conference, but always that anxiety has been uppermost, so that last night their joy knew no bounds, and the last half hour was somewhat in the nature of an informal reception.

Condition of the church, spiritually, socially, and financially, has never been better, and both pastor and people feel that there are great things in store for them.

Several from around here have been attending the revival at Cave Spring.

The revival meeting closed at Sugar Grove Tuesday night, Oct. 28th, with 23 professions and sixteen additions to the church. Rev. F. A. Grundy was given \$100.00 for his services.

J. R. Travis has been the guest of his brother, H. B. Travis.

The Press joins their many friends of this popular couple in all good wishes.

\$1.50 per year cash in advance.

Owing to the high prices that  
country newspapers are going to  
have to pay for paper, and every-  
thing else, for the next six

be a tight squeeze for many of  
them to pull through. The Herald  
has a supply of paper that will

carry us up to the New Year  
then?

Thank you neighbor Cross, the  
Press has enough paper to last  
till January 1921. But our ma-

Ruth of near Siloam attended  
preaching at Union Wednesday  
of last week and were guests for  
dinner of Florence Price.

Saturday afternoon.

### Notice of Meeting

Annual meeting of Crittenden  
County Chapter American Red  
Cross.

Please take notice that the  
Annual meeting of the Crittenden  
County Chapter of the American  
National Red Cross will be held on Sunday afternoon  
Nov. 9th, 1919, at 3 o'clock of  
said day at the First Baptist  
Church. The purpose of the  
meeting is the election of an Executive  
Committee, consideration  
of and action upon reports and  
transaction of such other business  
as may properly come before the Chapter. Each member  
is requested and earnestly urged  
to be present. Signed,

Mrs. V. L. Christian, Secty.

second hand surry for a buggy.

### THE COLYUM

No one need be surprised that  
Bob Wilborn was elected. He  
run an ad in the Press. That  
always brings results.

One of the best features of the  
election was the ride Jack Johnson  
took in a wheel barrow in  
front of Walter McConnell. If  
it had not been for the log cabin  
Jack held on his lap I would not  
have known which was the win-  
ner of their freak bet. I had  
rather have my feet on the  
ground than sit in a steel wheel-  
barrow on a frosty morning.

Lem Bozeman went duck hunt-  
ing one day last week and claimed  
he had fine luck. However his  
friends who saw all the duck he  
brought back claimed that after  
he dressed it no one could have  
told it from a pigeon if it had  
not had web feet.

It's an awful thing to have a  
good possum dog these days.  
Floyd Wheeler has one of the  
best ones that ever treed a skunk  
and some bunch or other of his  
friends keep Floyd out every  
night. Floyd says that if busi-  
ness keeps up he will have to put  
on a day shift to keep up with  
the demand.

Now that the election is over  
the patrons of our good post  
master Jesse Olive have time to  
stumble over the hump in the  
sidewalk between here and his  
place of business.

Will you agree with me that  
we need water works here as  
badly as last week? W. P. H.

## IS ESPECIALLY EFFICIENT THIS WAY, HE THINKS

**Butts Lauds Trutona as  
Combatant of Tired,  
Draggy, Rundown  
Feeling.**

Lonisville, Ky., October 31.—  
Trutona has put my stomach in  
shape to digest the food I eat  
and I think it is truly a won-  
derful medicine the kind a man  
needs when he has that common  
tired, draggy rundown feeling." C. A. Butts, 1413 East Washington  
street, Louisville, said recently.

"My system generally was in  
a weakened and run down condition," he continued. "For the  
past thirty-five years I have  
worked in the foundry of the  
American Elevator and Machine  
Co., and I'd get so hot at my  
work that my system just naturally  
became run down.

"Realizing that I needed a  
good tonic that would build me  
up again and give me strength,  
I began using Trutona. I'm able  
to eat anything I want, since  
taking Trutona and I really enjoy  
the food, whereas before, I  
didn't enjoy any of my meals and  
consequently didn't get much  
good out of them. My bowels  
are acting regularly now, too,  
I can recommend Trutona more  
highly than any other medicine  
I've ever taken and I'm glad to  
do so."

Thousands of weakened and  
run-down men and women have  
found unholed relief through  
Trutona. Going straight to the  
seat of the trouble, Trutona quickly  
rebuids worn-out tissues, creates a normal action of  
the stomach, liver and bowels  
and gives to the patient the long-  
sought-for strength of days gone  
by. As a body invigorant and  
system purifier Trutona is peerless.

Trutona is now being intro-  
duced and explained in Marion  
at Jas. H. Orme's drug store.

The reader of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Camellia Medicine is taken internally and acts directly upon the various functions of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and aiding nature in doing its work. The proprietors have much faith in the curative power of Hall's Camellia Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for free testimonials. Address F. J. SHENEY & CO., Toledo, Ohio. Sold by all Druggists, etc.

## LAMB SCHOOL HOUSE

S. D. Asher, W. S. Riggs, H. Travis of Enon and Hoods, and G. Towery of this vicinity delivered cattle at Blackford Wed.

R. E. Towery returned from Providence Sunday. He was in Blackford, Marion, Wheatcroft, and Sturgis.

Mrs. Margaret Talley died Friday Oct. 24, aged 86 years. She was born in Caldwell County, and professed faith in Christ at a meeting held at Hoods school house in 1893 and lived a useful life. Her remains were buried in the Talley grave yard. Rev. J. Mour conducted the funeral.

#### IN MEMORY

Nannie Myrtle Hughes was born in the year of 1899 on the twentieth day of May, and was at the time of her death twenty years and four months old. She was married to Elbert Thomas on March 31 1917; to this union was born one son Tracy Ray.

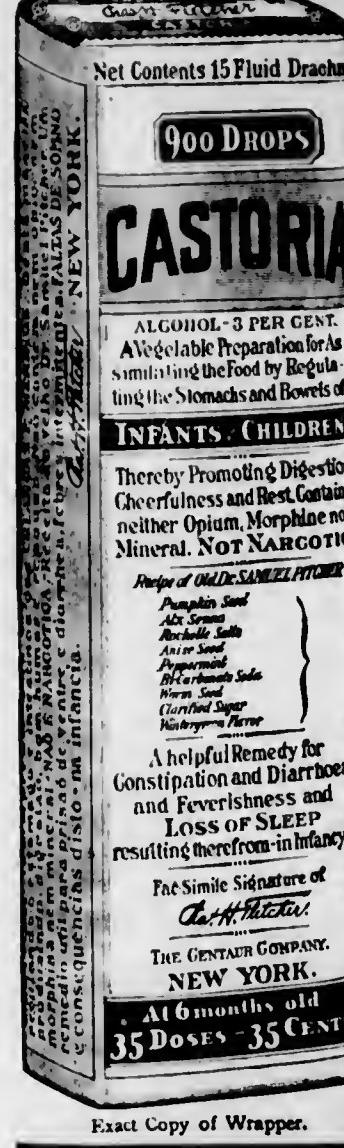

She had been in failing health since the birth of her son on Jan. 2, 1918 and gradually grew worse until about a month ago when her physician informed her that an operation was needed, and she was taken to Roselair for an operation, accompanied by her physician, husband and sister; after her operation on Wednesday she gradually grew worse and on Friday night about eleven o'clock she passed sweetly and quietly to the great beyond; her husband was with her at the time of her death. She leaves besides her husband and son a mother father three sisters and seven brothers, and a host of relatives and friends to mourn her loss; while our hearts are torn with grief, we can look to one who knows all things well and say we would not call her back if we could, for she's sweetly sleeping, awaiting the call of that eternal morning when there'll be no tears; no heart aches, nor sad goodbyes but all is joy and peace for ever more.

"A precious one, from us is gone; a voice we loved is stilled. A place is vacant in our homes which never can be filled."

Her sister.
